DETAILED ACTION

Claim Rejections - 35 USC § 112

1. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

2. Claims 13 and 14 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 13 states that the “housing zone” has the same size perimeter as the flange on the left side. It is unclear what is meant by the term “housing zone”, as no mention to a “housing zone” was found in the specification. Also, from the drawings, it appears that the perimeter of the outer surface of the flange is larger than the outer surface of the protrusion 13.

Claim 13, line 3, it appears that “a pad sleeve” should be “the pad sleeve” because “a pad sleeve” was already recited in claim 1.

Claim 14, line 2, it appears that “a pad sleeve” should be “the pad sleeve” because “a pad sleeve” was already recited in claim 1.

Allowable Subject Matter

3. Claims 8-12 and 15-22 are allowed.
4. Claims 13 and 14 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Conclusion

5. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
